

## Third Annual Wayne-O Fundraiser

On June 10th, 154 golfers and a dozen volunteers gathered together to support the legacy of Wayne Oliver at the 3rd Annual Wayne-O Classic. Oliver Insurance was proud to participate as one of the title sponsors for this event. This year, proceeds from the tournament are being donated to the ALS Association of Portland/SW Metropolitan area, The AJ Schlatter Endowment Fund & local youth sports programs. Fundraising efforts from the event, sponsorships and donations totaled over \$17,000!

Golfers played the beautiful Willamette Valley Country Club course, then enjoyed dinner with two guest speakers who spoke about the causes The Wayne Oliver Foundation primarily supports. Lance Christian, Executive Director of the ALS Association of Portland & SW Washington Chapter, explained the important impact their services and resources provide those living with ALS. Wayne's dear friend, Bob Hammitt, reminded us all of what Wayne valued... supporting his community, supporting the youth and maybe learning a little about baseball along the way.

The Tournament was a tremendous success because of the support within our community and Oliver Insurance is thrilled to be a part of it each year! Congrats to the tournament winning team The Wild Hare!

*"It has been humbling to see the sustained and growing support for The Wayne Oliver Foundation's fundraising event. My father would have never wanted all this attention, but thankfully these good people and businesses see the importance of keeping a legacy like his alive..."*

## Teen Driving—Tips for Paving A Safer Road

We all know the excitement and thrill of getting our license! Even as parents, the idea of our children having a little more freedom is welcomed. However, along with freedom, comes risk. There are more social and technological distractions than ever before. The Insurance Institute recommends a few ideas to help keep our teens driving safe.

First, the type of car you help your teen select can significantly impact their safety... not rocket science here, choose a SAFE car. Four door sedans are always a smart choice. New drivers should wait 1000 miles or at least 6 months before picking up other teen drivers. Enroll your teen in your insurance company's Safe Driver Program (for more info on this please contact us!). Lastly, be a good role model and TALK, TALK, TALK to your teens about driving impaired and driving without distractions.

### Crosswalk Safety

*In Oregon by law, every intersection is considered a crosswalk, whether marked or unmarked! Be aware and know that pedestrians ALWAYS have the right-of-way in an intersection!*

## \$ It Pays to Refer \$

At Oliver Insurance, we are not into complicated referral programs. We keep it pretty simple, you send us a referral, we send you a \$10 coffee card, regardless of whether your referral purchases a policy. Automatically you are entered into a monthly drawing for a \$50 grocery gift card and our annual drawing for a Flat Screen TV.

You can refer someone from our website, our app or simply give them our name and when they call, tell us who sent them here. We service more than just the state of Oregon, so think of your family and friends in Washington, California, Utah & Arizona, as well as Oregon.

All of our insurance reviews are no cost and no obligation. We hope to earn business through competitive rates and exceptional customer service. Your referrals are an integral part of our business and we thank you for the trust in our relationship.

## Keeping Up with PDX

Portland has been advertising a new site for all things Portland Metropolitan. Visit [www.oregonmetro.gov](http://www.oregonmetro.gov) to find parks & venues, current list of "What's Happening", or to locate tools and services. Need information about recycling services or want to see the latest transportation projects and how they might affect your commute? Add [www.oregonmetro.gov](http://www.oregonmetro.gov) to your favorites bar, and you can thank us later!
